

BitVentures Limited Files Annual Report on Form 20-F for Fiscal Year 2026

October 16, 2026

Technology company advancing its business transformation strategy; building growth businesses in e-commerce and digital assets.

BitVentures Limited (NASDAQ:BVC)

NEW YORK, NY, UNITED STATES, October 16, 2026 /[EINPresswire.com](https://www.prnewswire.com)/ -- BitVentures Limited (Nasdaq: BVC) ("BitVentures" or the "Company"), a technology company focused on developing early-stage technology businesses, today announced that it has filed its annual report on Form 20-F for the fiscal year ended June 30, 2026 with the U.S. Securities and Exchange Commission (the "SEC").

During fiscal year 2026, the Company continued to advance its business restructuring initiatives, and built out its two principal growth segments in digital assets and e-commerce. The Company has completed its exit from its legacy wealth management and asset management businesses in mainland China and Hong Kong. In January 2026, the Company launched its cryptocurrency mining operations and began installing cryptocurrency mining hashrates across multiple datacenters in the United States. During the year, the Company also restructured its share capital and terminated its ADR program, and its ordinary shares now trade directly on the Nasdaq Capital Market.

The annual report, including the Company's audited consolidated financial statements, is available on the SEC's website at www.sec.gov and on the Company's investor relations website at <https://ir.bitventures.io>. Shareholders may request a hard copy of the annual report free of charge by contacting ir@bitventures.io.

About BitVentures Limited

BitVentures Limited (Nasdaq: BVC) is a technology-focused company. The Company is actively developing technology businesses in verticals including e-commerce, digital assets, and other areas of consumer and enterprise technology. The Company believes that early-stage technology ventures may offer exceptional growth opportunities, and seeks to identify and nurture such high-potential ventures.
